Professional Rings Provided

All competitors participating in the 42nd Can-Am Sport Kickboxing Divisions must be registered with the BC Athletic Commission, prior to May 28, 2024.

All medical examinations and tests (i.e. physical examination, eye examination and blood tests) must have been conducted no more than 90 days before the date of application.

This year, competitors are to be matched to fight only once for the championship belt. All competitors will be matched closely in accordance to their body weight, training experience and ring experience.

To ensure the safety of participants, all referees, judges, and competitors are required to adhere to the guidelines outlined by the B.C. Athletic Commission. For detailed information, please visit our Sport Kickboxing Rules on SmoothComp.

Our goal is to provide an opportunity for Amateur Athletes to gain experience to compete in a ring setting, to either just have some fun or to prepare themselves to advance in the sport.

We are continuously striving to bring you the best competition and highest quality awards, administrated by certified referees and judges.
